The Ezri Center for Iran & Persian Gulf Studies

Newsletter

No.10
September-October 2014

The Ezri Center for Iran & Persian Gulf Studies at the University of Haifa daily monitors dozens of news sites, dailies and various publications in the Persian Gulf region as well as in the Middle Eastern, Islamic and the international media.

Accordingly, the Ezri Center offers scholars, researchers, students, journalists and all other interested people in Israel and around the world the most noteworthy of those news items, with a special stress on "unique" items which are not covered by the vast majority of the international media, through the Twitter service.

A selection of those tweets is being published in a bi-monthly newsletter of the Ezri Center, which is currently being offered as a gratis service.

Attached please find the September – October 2014 Ezri Center Newsletter.
